

## Awning Windows

### Classic Elegance from Alside Windows

Add the perfect touch of character and charm to your home with Alside Awning Windows. State-of-the-art engineering and easy operation ensure you have a window system that's built for a lifetime of enjoyment.

Awning windows let in more natural light and make a bold statement that will add character and life to any room. Multiple awning windows are available in a continuous mainframe but can also be stacked two or three or paired with fixed-lites.

And to make your buying decision easier, Alside backs all awning windows with its Lifetime Limited Warranty.

### Features and benefits:

- Beveled exterior sash design creates the appearance of a larger glass area with an attractive slimline look
- Stainless steel hinge system for years of trouble-free opening and closing
- Fully extruded overlapping screen frame for maximum ventilation
- Functional and stylish with a sleek fold away crank handle that won't get caught up in blinds or curtains
- Dual locking system on each side of the window
- Available in a continuous mainframe with multiple-lite configurations
